ABOUT ME

I am a detail-oriented IT engineering student with experience in programming, database management,. I am an effective communicator and collaborator who is always looking for new challenges and opportunities to learn and grow. I am seeking an IT engineering role where I can apply my technical skills and work with a team of like-minded individual.

EDUCATION

B.Tech Information Technology
Pimpri Chinchwad College of Engineering, Pune
[2020 - 2024]
CGPA : 9.23/10

HSC Grade-XII
rajarshi shahu mahavidyalaya latur
[Feb' 2020]
Percentage:83.45%

SSC Grade-X
SMV janwal, Latur
[Mar' 2018]
Percentage:94.60%

SKILLS

C/CPP

MySQL

DSA

PYTHON

Frontend Development

HTML | CSS | JS

PROJECTS

portfolio
I have created a responsive portfolio website using HTML, CSS, and JS, which is designed to be compatible with all devices. The website features animated interactions and is optimized for viewing on a variety of screen sizes.

Virtual Piano
The virtual piano I created with the help of HTML, CSS, JS allows users to play music using their computer keyboard or mouse and gives them instructions just like a teacher.

House & Car price Prediction
a Machine Learning project using Python that predicts the prices of houses and cars based on a variety of factors.The project involves the use of various Python libraries such as Pandas, NumPy, and Scikit-learn, to preprocess and analyze the data.

STL Library in C
The project involved creating a custom data structure using STL containers such as vectors, lists, or maps, and implementing algorithms for sorting, searching, and manipulating data in C.

ongoing project: weather forecast api using Node.js

EXPERIENCE

Engima 2.0 Problem Setter[2023]
- CodeChef <PCCOE> Chapter
- Designing and developing high-quality problems and challenges for the Enigma 2.0 programming competition

Blue BIT Google Doc manager[2023]
- CodeChef <PCCOE> Chapter
- maintaining participant database

ACHIEVEMENTS

LEETCODE ⭐⭐⭐
Username : gajananzulpe23
Contest Rating : 1,697
Global Ranking : 45k
Problems Solved : 600+
